Another Aetna Medicare Advantage

We give you a **benefit** that
includes paying for your
health club membership

Aetna is offering its Aetna Medicare Advantage members a health club membership.

We'll pay your membership to a participating health club as long as our fitness program is available in your area.

With our fitness program, some added extras

Membership is your choice from within participating popular chains. Besides a standard health club membership, you'll also be able to enjoy:

- Conventional and state-of-the-art exercise equipment
- Alternative exercise programs such as yoga, tai chi, and pilates
- Savings of up to 30% on personal trainers, nutritional counselors, and dietitians
- Discounts up to 77% on select health and fitness magazines.

To find an Aetna Fitness Program near you call 1-877-243-3004 (TTY/TDD: 1-800-628-3323) or visit www.aetnamedicare.com

Not included for standard plans and must be elected by your former employer. Please call the number on your enrollment material or Aetna ID card to determine if you are eligible.

Benefits coverage is provided by Aetna Health, Inc., Aetna Health of California, Inc., Aetna Health of Illinois, Inc., and/or Aetna Life Insurance Company. See plan documents for a complete description of benefits, exclusions, limitations, and conditions of coverage.
