

Parents,

The item most frequently saved from our high school years is our school yearbook. The Masterman High School Yearbook is a great way to remember and share in your son's or daughter's school experiences, and to preserve memories from this important time. In addition, each time your son or daughter is in the yearbook marks their place in a permanent keepsake for the entire school.

This year's Legacy will be published in **full color** from cover to cover. As in previous years, **each and every** high school student will be represented in the yearbook. The goal of this year's staff is to get every student in the yearbook a minimum of three times.

To reserve your copy of the 2011-2012 Yearbook simply visit jostensyearbooks.com and order online, or return the tear-off below with a check made payable to J. R. Masterman School Principal. Bring all payments to Mr. Roache in the roster office during advisory. Don't miss this opportunity to acquire this wonderful keepsake for your son or daughter.
