**CARVER SCIENCE FAIR  
ELEMENTARY FAIR - GRADES 4-6  
2012 STUDENT LIST**

*Due to space constraints at the Carver Science Fair, each elementary school is permitted to send a limited number of students.*

- *For the purpose of the Carver Fair, elementary schools include grades 4, 5, and 6. If your school contains higher grades as well, registrants from those grades will participate in the Secondary Fair and will not impact your elementary student quota.*
- *Each participating elementary school may register up to 3 individual student projects in each of the 3 primary categories: Life Science, Earth Science, and Physical Science (a total of 9 students). These students may be in 4<sup>th</sup>, 5<sup>th</sup>, or 6<sup>th</sup> grade.*
- *Schools may only register one individual student project in the Consumer Science category. This student can be in 4<sup>th</sup>, 5<sup>th</sup>, or 6<sup>th</sup> grade.*
- *Schools may only register one team project per school in the Team Project category. Teams are comprised of 2-3 students from any grade or combination of grades.*
- *Keep in mind that your entire school can only register a maximum of 13 students. It is therefore important to coordinate registration with other teachers in your school.*

**CARVER SCIENCE FAIR  
SECONDARY FAIR – GRADES 7-12  
2012 STUDENT LIST**

*Due to space limitations at the science fair, schools are permitted to send a limited number of students per grade level and category. Each participating school is permitted to send up to 3 students for each grade level (7-8<sup>th</sup>, 9-10<sup>th</sup>, & 11-12<sup>th</sup>) for EACH category, EXCEPT in Consumer Science and Team Projects. Schools may register only one student per school for Consumer Science (7-8<sup>th</sup> grade only) and only one Team Project (regardless of grade level). It is important that you coordinate registration with other teachers at your school.*
